

# Make A Universe!

Draw from a deck of cards  
Compare and answer!

ODD	<b>ALIENS</b> (Aces' Odd)
♥	How prevalent are aliens in the universe? Are they abstract or humanoid?
♠	Are aliens a part of the Galactic Superpower? Is there a council of species out there?
♦	Has there been any communication with aliens? Can we understand each other?
♣	What relics of alien civilizations do we have available to us?
EVEN	<b>SPACE</b>
♥	Is Earth in this universe? Are we confined to one star system or the whole galaxy?
♠	How long does information take to reach people through space?
♦	What hazards does space have that was discovered?
♣	How much of Space have we mapped out? What is the farthest we've gone?
FACE	<b>WHALES &amp; FISH</b>
♥	What are the nature of the Space Whales in relation to civilization?
♠	How are the natural oils and materials extracted from the Whales or Fish?
♦	What do they look like? How much do they resemble aquatic life on Earth?
♣	Are they worshipped? Are they hunted? Are they scavenged & harvested?
